2. HOW THE AGREEMENT BETWEEN YOU AND LONDON MUTUAL CREDIT UNION IS MADE

2.1 – To qualify for a Commodo flexible credit account, you must be a member of London Mutual Credit Union and employed by one of the Payroll Deduction providers we work for, excluding Ministry of Defence (for an up-to-date list of the participating organisations please see creditunion.co.uk/salary-deduction).

2.3 – Interest rates applicable to the account are set out in the Fees and Charges Schedule. We may change the interest rate from time to time but we will give you a minimum of 30 days' notice before we do so, if the change is to your disadvantage.

2.4 – We may offer a different product from the one you applied for, based on our Policies and an

assessment of your current circumstances. We will inform you of this decision, providing the relevant Terms and Conditions and will seek your explicit agreement for the new product offered.

2.5 – Once your application to open an account has been approved, you will be required to sign a Loan Agreement. The agreement between us will come into existence when you sign the Loan Agreement.

2.6 – In certain circumstances we may ask you to deposit money into your account to cover the first repayment.

2.7 – You may repay the outstanding balance of the account at any time without incurring any penalties.

3. WHEN CAN WE TRANSFER OUR RIGHTS UNDER THIS AGREEMENT TO OTHERS?

3.1 – We may transfer our rights and our responsibilities under this agreement. We will only transfer our responsibilities to another person if it is authorised to hold your money, we reasonably believe that it is capable of carrying out our responsibilities instead of us and it agrees to do so. We will tell you about any transfer and when it will take effect and you agree that we will be released from all responsibilities from that date.

3.2 – You may not transfer any of your rights or responsibilities under this agreement to any person.

4. WHAT LAW APPLIES TO THIS AGREEMENT?

4.1 – This agreement (and all our dealings with you before the agreement) is governed by the laws of England and Wales. Any dispute which arises in relation to this agreement shall be dealt with by any court in the United Kingdom, Isle of Man and Channel Islands which is able to hear the case.

5. TAX REPORTING

5.1 – If we believe you may have tax obligations in other countries, we may disclose information about you directly to those tax authorities, or to HM Revenue & Customs, which may share the information with the other tax authorities.

6. REPORTING PROBLEMS AND HOW WE CONTACT EACH OTHER

6.1 – You must use the contact details at the back of this booklet to give us any notices, such as to report an unauthorised payment or possible loss, theft or unauthorised use of a payment device (if applicable) or security details; if your card has been retained by an ATM (if applicable); if your financial circumstances have changed or are about to change or to contact us for any other reason.

What do we mean by security details?

These are personalised details you must use to make an instruction, confirm your identity or to access any payment device (for example a password, security code, PIN).

What do we mean by payment device?

This means a card or other device you can use to make payments or access your account (such as a smart phone that has your card or account details on it).

6.2 – We will contact you and give you notices using the most recent details you have given us.

Please Note

Wherever in this agreement we say we will contact you, we will use post, telephone or any electronic or digital message (including internet, email and text message) as appropriate. Notice will be deemed received and properly served 24 hours after an e-mail is sent or three days after the date of posting of any letter. In proving the service of any notice, it will be sufficient to prove, in the case of a letter, that the letter was properly addressed, stamped and placed in the post and, in the case of an e-mail, that the e-mail was sent to the specified e-mail address of the addressee. You must tell us immediately of any change of address or other contact details. We may ask for evidence of the change.

Using your account

7. WHAT ARE THE FLEXIBLE CREDIT ACCOUNTS?

What are the Commodo and Forces Finance flexible credit accounts with a debit card attached?

7.1 – The Commodo or Forces Finance flexible credit account with a debit card attached is a revolving loan with a pre-approved limit. It has the additional benefit of a debit card attached to it for easier access to the funds. You can use your debit card to make purchases up to your pre-agreed limit.

What is a Commodo or Forces Finance debit card?

7.2 – The Commodo or Forces Finance Debit Card is a MasterCard Debit Card and a separate product to the flexible credit account. Please refer to page 18 of this booklet for the terms and conditions relating to the debit card.

Is this a credit card?

The Commodo or Forces Finance Debit Card is a debit card and is not a credit card.

What is the Salaryflex flexible credit account?

7.3 – Salaryflex credit account is a revolving loan with a pre-approved limit. You can transfer all or some of the funds to an account of your choice via mobile or online banking whenever you need to use them. Alternatively, you can use the SMS service to request up to £250 per day to be sent via faster payments to an account which you provide during application. In both cases, funds will usually reach your account within two hours, subject to the limitations set out in Section 24.

7.4 – Repayments will be taken directly from your salary via payroll deduction. The repayments will be the same every month regardless of how you use the card, calculated at a minimum of 1/18th of your overall revolving limit plus interest and subject to affordability assessment (please see Section 8).

Example

Your approved credit account limit is £2,000.

Your minimum monthly payment would be approximately £130 per month.

7.5 – You can withdraw cash at branch from your Salaryflex, Commodo or Forces Finance account, subject to any cash withdrawal fees, as specified in the Fees and Charges Schedule.

8. MONTHLY REPAYMENTS

8.1 – Once your application is approved, you will be required to set up a payroll deduction from your salary, which will be credited to your account. The monthly deduction will be the same every month, equal to a minimum of 1/18th of your approved revolving limit.

8.2 – We recommend that you save a minimum of £10 per month while the loan is repaid which will also be included in the monthly payroll deduction. The amount you choose to save will be credited to your Membership savings account and kept separately. If you want to stop or change the amount you save, you have to inform us in writing at least 20 days before your next salary is due, to enable us to process your request.

8.3 – If your monthly payment covers more than your loan balance, the additional funds you have paid in will be kept in your account as a positive balance (subject to clause 10 below).

How does payroll deduction work?

When you apply for an account, we will ask for details including your National Insurance number. If you work for one of the organisations with whom we have a partnership, we will then provide your details to their payroll department, who will arrange the deduction on your behalf. For an up-to-date list of the participating organisations please see creditunion.co.uk/salary-deduction.

The deduction will usually appear on your payslip alongside national insurance, income tax, pension and any student loan repayments.

Please note:

The monthly Payroll deduction will be credited to your account on the date we receive it from your employer, which may be up to 4 weeks after your pay date. London Mutual Credit Union cannot be held responsible for any delay in receiving the deductions from your employer. If your employer fails to send the deduction on time to make the loan repayment when it falls due, you may be liable to pay additional interest.

9. MAXIMUM REVOLVING LIMIT

9.1 – The maximum pre-agreed revolving limit is

set out in the Credit Union's Loan Policy and is subject to change from time to time.

10. MAXIMUM POSITIVE BALANCE YOU CAN KEEP ON YOUR DEBIT CARD

(applicable to Commodo and Forces Finance accounts)

10.1 – In order to protect you and the credit union and to minimise potential fraud, we have set a maximum positive balance that can be kept on your debit card at any one time. Currently this is £2,000 until further notice. The Credit Union reserves the right to change the maximum balance limits from time to time. We will give you one month's notice before any future changes to the maximum balance limit. Any funds above this maximum balance will be transferred automatically to your CUCA Safe account (a savings account not connected to the card) at the end of each business day.

You can use your online/mobile banking to transfer funds back to your current account or call us on 020 3773 1751 during our Helpdesk opening hours.

11. HOW DO WE CONFIRM THAT WE'RE AUTHORISED TO TAKE ACTION ON YOUR ACCOUNT?

How do we check your identity?

11.1 – We will assume that we are dealing with you and that we are authorised to provide information about your account, make payments, provide new services, open or close accounts and do other things we are asked to do without further checks if we've checked your identity:

- by seeing some evidence of identity, such as a passport, in one of our branches;
- by confirming the security details used in connection with a payment device (except for some low-value contactless payments);
- by getting your written signature on paper;
- by confirming the security details used with Telephone, Mobile and Online Banking or;
- by verifying your identity and address electronically via a credit reference agency enquiry. In future, we may add other ways of checking we are dealing with you.

When can someone else operate your account for you?

11.2 – You can allow another person (a ‘third party’) to operate your account. If you want to do this you’ll have to sign a document called a third-party mandate.

11.3 – Another person may be appointed to act for you when you are not able to. This person would be your ‘attorney’ and we will need to have a legal document called a Power of Attorney before we can allow them to use your account.

11.4 – These conditions will apply to any third party or attorney allowed to use your account and you will be responsible for everything they do even if they cause you to break the agreement.

12. WHAT MUST YOU DO TO KEEP YOUR ACCOUNT SECURE?

12.1 – You must act reasonably to prevent misuse of your account, any payment device and your security details. If you don’t, we may block access to your account to protect you and us from unauthorised access to your account (including your use of a payment device, Telephone, Mobile and Online Banking). We will also do all we reasonably can to prevent unauthorised access to your account. Please read the information in the section headed ‘Keeping your account secure’ on page 17.

12.2 – If someone else tries to access your account using a payment device or security details, you must contact us as soon as possible. We will ask you to give us information or other help and we may also give, or ask you to give, information to the police to assist with any investigation.

12.3 – If you find a payment device after you have reported them lost or stolen or you think someone has used or tried to use them you must not use them. You must destroy them and return them to us if we ask.

Payments and giving you information about your account

What do we mean by business day?

Any day except Saturday, Sunday or a bank holiday in England and Wales.

What do we mean by cut-off time?

This is the latest time on any given day that we can process payment instructions. You can ask us for the relevant cut-off time when you give us a payment instruction.

13. PAYMENTS INTO YOUR ACCOUNT

General

13.1 – We will take the regular monthly payments directly from your wages or salary via payroll deduction.

Please Note:

This account is available to payroll members only. If you are no longer employed by one of our payroll deduction partners, We have the right to convert our account to a regular loan and deactivate your debit card with immediate effect. You will continue to make your regular monthly payments via the new agreed repayment method until the loan is repaid.

13.2 – We can refuse to accept a payment into your account if we reasonably believe that accepting it might cause us to breach a legal requirement or might expose us to action from any government or regulator.

Payments into your account by mistake or fraud

13.3 – If we reasonably believe that a payment into your account was made as a result of fraud, we will remove the payment or take other steps to make sure the amount of the payment is not available for you to use.

13.4 – If we reasonably believe that a payment was made into your account by mistake we will return it to the paying bank unless you can show us that it was not made by mistake. We will take these steps before returning the payment:

- a. If you received the payment up to two months before we find out about the mistake, we will tell you about it and give you 15 business days to show us that it was not made by mistake. During this period we will make sure the amount of the payment is not available for you to use (we might do this by taking the amount out of your account or by limiting access to the amount on the account).

- b. If you received the payment more than two months before we find out about the mistake, we will contact you before restricting your ability to use the amount of the payment and before we return it to the paying bank.

13.5 – If you do not have enough money in your account when we take a mistaken payment out of it, you will not be liable for any informal overdraft fees that you would have paid as a result.

13.6 – If we mistakenly credit funds to your account, we will either take the amount out of your account or limit your access to the amount on your account. If this happens, we will normally tell you before taking action.

Payments in

13.7 – The table below shows:

- a. how quickly we add these payments to your account after we have received them; and
 b. when we treat them as part of the amount on your account for working out interest.

Payment in	When you can use them
Internal transfer between accounts held with London Mutual Credit Union Or Cash at one of our branches during opening hours	Immediately
Payroll deduction	Upon receipt of the funds from the Payroll provider
Direct Debit	On the agreed date
Faster payment from external bank account	Within two hours (if the payment is received after the close of business or on a non business day, it will credit the account on the next business day).

14. MAKING PAYMENTS FROM YOUR ACCOUNT

How we decide whether to make a payment

14.1 – We will make a payment from your account if you ask us to unless:

- you do not have enough available funds in your account;
- we know that the account details or reference details you give us are incorrect;
- you are seriously or repeatedly in breach of these conditions;
- you have not provided any extra identification that we have reasonably asked for;
- the payment exceeds a particular amount;
- we suspect fraudulent or criminal activity;
- there has been, or we suspect, a breach of security or misuse of your account, security details or a payment device; or
- we reasonably believe that doing so would cause us to breach our legal or regulatory obligations.

14.2 – If we refuse to make a payment, we will let you know why as soon as we reasonably can, unless the law or any regulation prevents us from doing so. If we are not able to tell you in advance then we will contact you as soon as possible afterwards (and at the latest by the end of the day on which the payment should have been received).

14.3 – We can block or suspend your use of any payment device (and related services such as Telephone, Mobile and Online Banking) if we reasonably believe it is necessary because of:

- a significantly increased risk that you may be unable to pay any money you owe us on the relevant account (for example, if you have gone over a formal overdraft limit);
- suspected fraudulent or criminal use of the payment device; or
- security concerns (for example, if we know or suspect that your payment device and/or security details have been misused).

14.4 – If we block or suspend the use of a payment device, we will let you know why as soon as we reasonably can, unless the law or any regulation prevents us from doing so or if we believe doing so would compromise reasonable security measures.

14.5 – If you are using a payment device (such as a card) to make a payment or withdraw cash, the retailer, or organisation which owns the cash machine, will tell you that the payment or withdrawal has been refused. For certain contactless transactions, it may not be possible to confirm at the point the card is used that the transaction has been refused.

14.6 – You can call us as soon as you become aware that a payment has been refused. Where appropriate we will tell you how to correct any errors which led to our refusal.

Cash withdrawals

(Applicable to Commodo and Forces Finance accounts).

14.7 – You can withdraw cash by using a cash machine. There is a daily limit on the amount you can pay or get in cash from a cash machine. We will tell you what it is when we send your debit card. There may be a fee for this service, please refer to the Fees and Charges schedule.

Payments by card

(Applicable to Commodo and Forces Finance accounts).

14.8 – If you use your card to withdraw cash or to make a payment, we will take the funds from your account after we receive confirmed details of the withdrawal or payment from the relevant payment scheme, such as MasterCard. This may be on a business or a non-business day.

14.9 – If you use your card for a transaction (e.g. a cash withdrawal or a payment) in a currency other than sterling, we will convert it into sterling on the day MasterCard processes it, using the MasterCard scheme exchange rate which is available at www.mastercard.co.uk. Exchange rates vary daily, so the rate may differ from what it was when the transaction took place. We will not charge fees for transactions in a currency other than sterling for up to 30 days in a 12-month period. For transactions made abroad above the 30-day free period, charges may apply. You can find our charges in the Fees and Charges Schedule.

14.10 – If you use your card to make a payment, the retailer is paid when it processes the payment at point of sale.

15. CANCELLING OR CHANGING PAYMENTS

15.1 – You cannot change or cancel a payment that you have asked us to make immediately. This includes card payments.

15.2 – If you want to cancel a regular card payment (Continuous Payment Authority) (applicable to Commodo and Forces Finance accounts) or any other future dated payment, you must call us by 4pm on the business day before the payment is due to be made. If you do cancel a regular card payment (applicable to Commodo and Forces Finance accounts), you should also tell the organisation or retailer that collects the payment so that they can cancel or change it as well.

15.3 – If you cancel a regular card payment (applicable to Commodo and Forces Finance accounts), in certain circumstances it may not be possible for us to stop any subsequent payments coming out of your account. If this happens, we will treat the payment as unauthorised and give you an immediate refund.

15.4 – If you cancel a regular card payment for a subscription service (applicable to Commodo and Forces Finance accounts), you will not be able to set up another regular card payment again for the same service using your existing card. If you do wish to set up a regular card payment for the same service you will need to order a new card from us.

15.5 – We may charge a small administration fee if you cancel a regular card payment (applicable to Commodo and Forces Finance accounts). The fee reflects the cost to us for cancelling the regular card payment. You can find out the level of the fee in the Fees and Charges Schedule or by contacting us.

16. STATEMENTS

16.1 – To help you keep track of your money, we will provide you with a quarterly written statement. We can also provide statements on your request.

16.2 – The statement will show the balance on your account, the date and amount of each transaction, details to enable you to identify each transaction (these may be a reference for the transaction or sender/recipient) and any charges. You will also be able to get these details through our Mobile or Online Banking services.

16.3 – If you have opted for paperless statements, your statements will be available to view and download from your online banking.

16.4 – You must check your statement and tell us as soon as possible if there is a payment in or out of your account that you don't recognise.

16.5 – You can contact us for more information about any transaction on your account.

Revolving credit, interest and charges

17. REVOLVING CREDIT AND CONVERTING IT TO A REGULAR LOAN

17.1 – Your account provides a flexible revolving credit up to a pre-approved limit. The outstanding amount ('loan') together with the interest will be repaid by equal monthly repayments directly from your wages or salary.

17.2 – If you ask, we may convert your account to a regular loan. This means that we will deactivate your debit card (applicable to Commodo and Forces Finance accounts), and you will not be able to borrow more using the revolving loan facility.

The outstanding loan balance at the time of converting your account will be repaid from your regular monthly payroll deductions. The interest rate you pay will remain the same and you will not incur any additional charges for converting to a regular loan.

17.3 – Applicable to Commodo and Forces Finance accounts. If you don't activate your debit card upon receipt, we may write to you to remind you to activate the card within 1 month of receiving the notification. We may contact you by email, letter or SMS. If you haven't activated your debit card within the specified time period, we may deactivate your card and/or convert your account to a different product suitable for your circumstances to prevent fraud and safeguard the money in your account.

17.4 – We reserve the right to deactivate your card (applicable to Commodo and Forces Finance accounts), and convert the account to a regular loan in accordance with these Terms & Conditions (as specified in clauses 13.1, 20.3 and 22.2).

18. INTEREST AND CHARGES

18.1 – We may require you to pay interest and charges. We will calculate any interest daily on your outstanding debit balance.

18.2 – The interest rates payable by you and charges that apply to the account are set out in the Fees and Charges Schedule. You can also find out our rates and charges in branch, by calling us or visiting our website.

18.3 – If your account balance goes above the agreed revolving limit for any reason we may charge a higher interest rate on the balance above the revolving limit, as per the Fees and Charges Schedule. This will be up to the maximum of 2.6% APR.

Debit interest

18.4 – We may take any debit interest and charges you owe us from the same account or from any other account you have with us. We add interest to your account balance each month and we charge interest on the debit balance on a daily basis.

The use of credit reference agencies

19. PERSONAL INFORMATION AND CREDIT REFERENCE POLICY

19.1 – When you apply to us to open an account, the London Mutual Credit Union will:

- a. check our own records for information on:
 - i. your personal accounts;
 - ii. and, if you have one, your financial associates' personal accounts;
 - iii. if you are an owner, director or partner in a small business we may also check on your business accounts.

In these terms:

- A "financial associate" will be someone with whom you have a personal relationship that creates a joint financial unit in a similar way to a married couple. You will have been living at the same address at the time. It is not intended to include temporary arrangements such as students or rented flat sharers or business relationships. Financial associates may "break the link" between them if their circumstances

change such that they are no longer a financial unit. They should apply for their credit file from a credit reference agency and file for a “disassociation”.

- A “small business” is defined as an organisation, which might be sole trader, partnership or a limited company, that has three or less partners or directors.
- Credit reference agencies may “link” together the records of people that are part of a financial unit. They may do this when people are known to be linked, such as being married or have jointly applied for credit or have joint accounts. They may also link people together if they, themselves, state that they are financially linked.
- b. search at credit reference agencies for information on:
 - i. your personal accounts;
 - ii. and, if you are making a joint application now or have ever done the following we will check your financial associates’ personal accounts as well:
 - previously made joint applications
 - have joint account(s);
 - are financially linked;
 - iii. very occasionally if there is insufficient information to enable us to assist you, we may also use information about other members of your family;
 - iv. if you are a director or partner in a small business we may also check on your business accounts;
- c. search at fraud prevention agencies for information on you and any addresses at which you have lived and on your business (if you have one).

19.2 – What we do with the information you supply to us as part of the application:

- a. Information that is supplied to us will be sent to the credit reference agencies.
- b. If you give us false or inaccurate information and we suspect or identify fraud we will record this and may also pass this information to fraud prevention agencies and other organisations involved in crime and fraud prevention.
- c. Your data may also be used by us to offer you other products, but only if you have given your

permission. That will be on the front of any form that you have completed.

19.3 – With the information that we obtain we will:

- a. assess this application for credit and/or;
- b. check details on applications for credit and credit related or other facilities
- c. verify your identity and the identity of your spouse, partner or other directors/partners and/or;
- d. undertake checks for the prevention and detection of crime, fraud and/or money laundering.
- e. we may use scoring methods to assess this application and to verify your identity.
- f. manage your personal and/or business account (if you have one) with ourselves.
- g. undertake periodic statistical analysis or testing to ensure the accuracy of existing and future products and services.
- h. Any or all of these processes may be automated.

19.4 – What we do when you have an account:

- a. Where you borrow or may borrow from us, we will give details of your personal and/or business account (if you have one), including names and parties to the account and how you manage it/them to credit reference agencies.
- b. If you borrow and do not repay in full and on time, we will tell credit reference agencies.
- c. We may make periodic searches of our own group records and at credit reference agencies to manage your account with us, including whether to make credit available or to continue or extend existing credit. We may also check at fraud prevention agencies to prevent or detect fraud.
- d. If you have borrowed from us and do not make payments that you owe us, we will trace your whereabouts and recover debts.

What Credit Reference and Fraud Prevention Agencies do

19.5 – When credit reference agencies receive a search from us they will:

- a. carry out a pre-application check of your credit file using QuickCheck. You will be able to see the search on your file but it will not be

visible to other organisations. This means there is no impact to your credit rating.

- b. link together the records of you and anyone that you have advised is your financial associate including previous and subsequent names of parties to the account. Links between financial associates will remain on your and their files until such time as you or your partner successfully files for a disassociation with the credit reference agencies.
- c. supply to us:
 - i. credit information such as previous applications and the conduct of the accounts in your name and of your associate(s) (if there is a link between you – see 1b above) and/or your business accounts (if you have one).
 - ii. public information such as County Court Judgments (CCJs) and bankruptcies
 - iii. Electoral Register information.
 - iv. fraud prevention information.

19.7 – When information is supplied by us, to them, on your account(s):

- a. Credit reference agencies will record the details that are supplied on your personal and/or business account (if you have one) including any previous and subsequent names that have been used by the account holders and how you/they manage it/them.
- b. If you borrow and do not repay in full and on time, credit reference agencies will record the outstanding debt.

Repayment difficulties and default

20. IF YOU ARE FINDING IT DIFFICULT TO MAKE YOUR REPAYMENTS

20.1 – You must let us know immediately if you have difficulty making a regular monthly repayment. There are different ways in which we can help you, for example we can give you one month repayment holiday within a 12-month period if you ask us to do so in writing. If we do that we will reimburse your monthly repayment but interest will continue to accrue during the repayment holiday.

20.2 – You agree that if you give or receive notice

of termination of your employment you shall advise us immediately.

20.3 – You agree that should you fail to make payment of any amount due to us, or should your employment end for whatever reason, or should you set up an Individual Voluntary Arrangement, become bankrupt or enter into a debt management plan, we will deactivate your debit card (applicable to Commodo and Forces Finance accounts), and convert your account to a regular loan with immediate effect. The entire balance outstanding will immediately become due and payable and we shall have the right to recover any sums due to us from your final wage or salary payment, including redundancy monies, severance payments, expenses and any other sums due to you.

20.4 – You assign to us all paid shares and payments on account of shares held with us which you have, or which you may have in the future, in any account held within the Credit Union, as security for payment of the balance outstanding and also interest and expenses which may be due or become due, and you authorise us to apply any or all such paid shares or payments on account of shares towards the satisfaction of any amount which you owe us.

20.5 – If you are an employee of any payroll deduction employer within our common bond and you have failed to pay the amount due to us, you authorise your employer to deduct, on the termination of your employment for whatever reason, any amount due and payable to us from your final wage or salary, including from any redundancy money or expenses which are due to you, and pay such amount to us.

20.6 – You will be required to repay our costs, charges and expenses of whatever nature if we are required to take any action to obtain the repayment of all sums due under the Loan Agreement and such sums will be added to the debt on an indemnity basis.

20.7 – You are aware that the Loan Agreement is a legally binding contract and that if you fail to comply with any of its terms, and terms under these Terms and Conditions, you may render yourself liable to further action, which may include Court action. You will be required to repay our legal expenses and administration charge if we

require taking Court action to obtain repayment of all sums due under the Loan Agreement.

20.8 – If you default on repayments, information about their outstanding loan may be passed on to the Department for Work and Pensions (DWP) for their consideration of deductions from the benefits that you are currently or will become entitled to. DWP ALRN 01.

Changing these terms and ending this agreement

Please note

This agreement will continue until either you or we end it. It is not for a fixed or minimum period. For this reason, we need to be able to make changes to the agreement for the reasons set out below or for reasons we cannot predict now, as long as it is fair for us to make a change where those reasons apply. We may also need to make a change without giving a particular reason but, if we do this, we will always tell you in advance, explain how the change will affect you and you will be able to end the agreement without cost if you do not want to accept the change.

21. CHANGES

When we can make changes

21.1 – we can:

- a. increase or decrease our interest rates and charges and change any other terms (including the availability of account services) to reflect an actual, or reasonably expected, change in:
 - i. our underlying costs; or
 - ii. law or regulation, codes of practice or industry guidance that applies to us, a ruling of a court, ombudsman or similar body or undertaking given to a regulator; or
 - iii. our way of doing business, including the introduction of new technology; or
- b. make a change to our interest rates, charges or any other term, that is for your benefit, for example we might make these conditions fairer or easier to understand, correct mistakes or reflect changes in technology; or
- c. make changes to our interest rates, charges or

any other terms to reflect any other actual or reasonably expected change that affects us if it is reasonable for us to pass the impact of the change on to you.

Any change we make will be reasonably proportionate to the impact of the underlying change on us. We will not make changes to cover the same cost twice.

How we can make changes

21.2 – If we increase interest rates we pay you, or decrease interest rates you pay:

- a. the new rate will apply immediately; and
- b. within the next 30 days we will tell you about the change on our website, by branch notices, national press advertisements, statement messages or inserts or by writing to you (this can include email) or by any combination of these methods.

21.3 – We will give you at least one month's notice before we make any other changes.

21.4 – We will ask you to sign a new agreement to agree to the change, but if you do not want to agree to the change, you can repay the outstanding amount and close your account without paying any extra charges or interest, at any time until the change takes effect. If you do not sign the new agreement or close your account we will convert your account to a regular loan and we will deactivate your debit card (if applicable). You will continue to make your regular monthly payments from your payroll deduction until the loan is repaid.

22. ACCOUNT REVIEW

22.1 – We will review your account from time to time either on your request or where we deem it necessary to do so. This may mean that we increase or reduce your revolving credit limit and/or your monthly repayments.

22.2 – If we find that you make no attempts to clear the loan or if you maintain the balance at your maximum revolving limit for more than three months, we may take appropriate measures. For example we may decide to temporarily stop your further borrowing and/or (applicable to Commodo and Forces Finance accounts) put a temporary block on the debit card until you have cleared

some or all of the outstanding loan balance, or to deactivate the debit card (applicable to Commodo and Forces Finance accounts), and convert the outstanding balance to a regular loan with immediate effect.

23. ENDING SERVICES AND CLOSING YOUR ACCOUNT

Cancellation rights

23.1 – Under the Financial Services (Distant Marketing) Regulations 2004 you have 14 days from the commencement to cancel your agreement. You will have to repay all money lent to you within 14 days. If repayment is not made within 14 days, interest will be charged at the rate stated on the Loan Agreement.

Closing your account by giving notice

23.2 – You can end this agreement and close your account at any time by telling us.

23.3 – We may end this agreement, close your account and stop all account services (including payment devices, Telephone, Mobile and Online Banking services), at any time by giving you at least one month's notice in writing. For example, we may do this if you are no longer eligible for an account or service or the product is no longer available.

23.4 – Any benefits or services linked to your account will stop on the date we close your account, unless we tell you they will end earlier. Any outstanding balance which is not repaid at the date of the account closure will be converted to a regular loan with the same interest rate. You will continue to make your regular monthly payments from your payroll deduction until the loan is repaid.

Immediate closure of your account

23.5 – We may end this agreement and close your account immediately, without notice, and stop all account services if we reasonably decide that:

- a. you are seriously or repeatedly in breach of these terms and conditions or the terms of your Loan Agreement;
- b. you or any other authorised signatory are made bankrupt or enter into an Individual Voluntary Arrangement after you open an account; or

are the subject to Court action which has the effect of taking away from your control of the whole or a substantial part of your assets.

- c. you or any other authorised signatory on the account:
 - i. has carried out or tried to carry out fraudulent or illegal activity on the account or any other service we operate, or we have reason to think you or they may do so in the future;
 - ii. has caused or may cause us to breach any law, regulation, code of practice or other duty which applies to us as a bank;
 - iii. has behaved improperly towards us or anyone providing services to us (for example, if you have threatened, abused or harassed a member of staff);
 - iv. has given false or materially incomplete information when applying to open the account or to use any service, or at any time thereafter; or
 - v. has allowed a person who is not an authorised signatory to use the account or any other service we provide.
- d. you have become incapable in law of managing your own affairs. Should we terminate the Loan Agreement or should you default, we are entitled to the repayment of the whole sums due under the Loan Agreement and may retain any monies we hold for you in any other type of account and apply the said monies held on or towards payment of the balance outstanding in terms of the Loan Agreement.

What happens when you or we close your account?

23.6 – When you or we close your account we will pay you any money in your account and you must repay any money you owe us. Until you pay us, the terms of this agreement will continue to apply and we will continue to apply interest and charges until the date the account is closed.

23.7 – Any payment devices or other devices that we have given you remain our property. You must return them to us when this agreement ends.

23.8 – If a sole account holder dies, we may require a grant of probate or letters of

administration before releasing any money in your account to your executors or personal representatives.

What happens if you stop using your account?

23.9 – If you have not used your account for two months after opening it, we may deactivate the card (applicable to Commodo and Forces Finance accounts), and close the account. We will give you one month's notice before doing so.

What Happens If Something Goes Wrong?

24. LIABILITY FOR LOSSES

24.1 – We will not be responsible for any losses you may suffer if we cannot perform our obligations under this agreement as a result of:

24.2 – Any legal or regulatory requirements;

24.3 – Abnormal or unforeseeable circumstances which are outside our (or our agents' and/or subcontractors') control and which we could not have avoided despite all efforts to the contrary, such as industrial action or mechanical failure.

25. SET-OFF

25.1 – If you have money in one of your accounts we may set it off against any amount you owe us which is due for payment, so that it reduces or repays the amount you owe us. We will do this if we think it is reasonable to do so, taking into account your circumstances (including making sure that you will still have enough money to meet essential living expenses) and any regulatory requirements.

25.2 – We can use money you have in your account even if there is a court decision against you or you are fined (including interest arising after the date of the final decision or fine), unless the court instructs us otherwise, or we are otherwise prevented by law.

25.3 – Occasionally we receive legal instructions or notices to hold a customer's money for someone else, or to pay it to someone else. If this happens, the money we hold for the other person will be what is left after we have used our right of set-off, including any interest arising after the legal instruction or notice (unless we decide otherwise or we are prevented by law or regulation).

25.4 – We will write to you 14 days before we make any set-off between your accounts to let you know the date and details of the action we will take.

25.5 – If we use money from an interest-bearing account, interest will be applied to the money in that account up to the date of set-off. After the date of set-off, interest will only be payable on any credit balance remaining in your accounts as applicable.

We will not use balances on any Individual Savings Accounts (ISAs) or children's savings to set-off amounts you owe.

26. COMPLAINTS

26.1 – If you have a complaint, please contact us using the details at the back of this booklet. We will send you a written acknowledgement within five business days and keep you informed of our progress until your complaint has been resolved. We will do everything we can to sort out the problem.
